Why choose APCU for your financial needs

When you think of your banking requirements, what is it that you think of? Is it the convenience of location? Is it the benefits that they offer?

Unlike traditional banks, credit unions offer a different types of benefits. Can you think of some benefits that you would appreciate if your financial institution offered them to you?

How about exceptional member service?

APCU is a smaller institute which allows us to get to know and treat all of our members as part of our family. We are attentive to your needs and offer our “people helping people” mentality.

What about amazingly low rates on loans?

When you are in search of a new or used vehicle, think of us. Currently, vehicles are selling at top dollar (if not over) and the interest rates have skyrocketed. Save some money with APCU and be able to afford your new vehicle.

We support those who support our community.

We offer our member services to Aurora Police Department employees, Aurora Fire Department employees, Citizens Police Academy Alumni members (CPAA), City of Aurora employees, Fox Valley Park District employees, Kane County Sheriff's Department employees, North Aurora Police Department employees, Pace Fox Valley employees, and Village of Sugar Grove employees.

When an eligible member becomes a member here at APCU, the membership extends out to their immediate family as well. Including Mothers, Fathers - even Brothers and Sisters!

Benefits we offer our members.

APCU offers a bunch of benefits to our members including:

- Fee free checking and savings
- Dividends paid on our checking and savings accounts
- Personalized member services
- Family-like atmosphere
- Low rates
- Help to build credit

What benefit is the most valuable to you?

Check out our Aurora Policemen Credit Union's website for more information on benefits and discounts.
