Office News

Dormant Accounts: 'Tis the season for dormant accounts! A dormant account is an account that has not had a transaction in or out of it. To keep your account up to date just remember us on your birthday. Making a small deposit once a year can keep your account off the dormant list. Remember us on your birthday!

Breast Cancer Awareness Month: Credit Unions are known for their help in the community. For the Month of October we will be fund raising for Breast Cancer by donating to Waterford Place and Pink Heals Joliet Chapter. Stop by the CU to donate!

Benefits of Having GAP and Extended Warranties

Accidents are in fact, accidents. It comes when we least expect it. Break downs happen at the worst times. The way to prevent an accident from becoming a financial "accident" is to have GAP coverage and an affordable extended warranty. APCU offers both to our members, partnered through ASG.

Call us or stop in to find out more!

GAP Coverage: GAP insurance covers the difference between what your car is worth and what you owe. The nice thing is our GAP coverage is one flat fee and can be wrapped into your loan payment.

Extended Warranty: Protects your vehicle after the manufacturers warranty expires. With the advancements of vehicles over the years, fixing your broken vehicle can cost thousands!
